## JOIN OUR TEAM!

Looking for a rewarding career? Good people are in demand. Searching for a motivated person to work as an electrician's helper, in order to become a journeyman. Looking to train people to have great opportunity, and even one day be partners and business owners. Strong work ethic and determination are a must!

*"Try not to be a man of success but a man of Value" -Albert Einstein*

### What We Do :

- 90% New and Custom home electrical construction,
- Remodel
- Service Calls
- Generators
